PRESENTING

THE STORY OF A YEAR AT  
ROCK PORT HIGH SCHOOL  
ROCK PORT, MISSOURI

## Foreword

Remember the first day of school when we greeted old friends and were assigned to new classes? How about the football games and the half-frozen spectators; the Homecoming Parade with the beautiful Queen, decorated floats and old grads?

Then with the approach of winter came the basketball season. Tense with excitement we cheered our team on.

In the midst of all this came the much anticipated Christmas vacation. After a gay Christmas Ball we returned to the old grind. In no time at all the second semester had begun and we could say that at least half of our school year was behind us.

Then along came the basketball tourney, and the hoopsters' hysteria came to a boil. Colorful pep squads performed and fans went wild while the teams played their hearts to win.

All of a sudden it was spring. Prom committees were appointed and a theme was chosen. The prom was a success. At last summer vacation arrived. Truly this has been a year . . . .

WE'LL ALWAYS REMEMBER!!

-1958-  
ROCKET

## Dedication

With the realization that we are still very young in heart and experience; with the knowledge that with their counsel there is yet peace and love, and a deeper, calmer faith for us to seek: we gratefully dedicate this, the 1958 Rocket, to our Mothers and Fathers.
